

Visiting Michaels Engineering

Michaels Engineering is on the second floor of the Doerflinger Building, located on the southeast corner of 4th and Main Streets in downtown La Crosse. Our address is 400 Main Street, Suite 200, telephone (608) 785-1900.

Driving to Downtown La Crosse

From I-90: Take Exit 3 south and stay on Highway 53. Downtown is a little over 3 miles south of I-90. Highway 53 becomes 3rd Street once you're downtown. Follow 3rd Street to Jay Street and take a left.

From La Crescent Minnesota on Hwy. 14: After you cross the Mississippi River, keep going straight and follow the road as it curves to the left. At that point you'll be on 4th Street. In 3 blocks, take a right on Jay Street.

From the south on Hwy. 35, or the east on Hwy. 14/61: Hwy. 35 merges with Hwy. 14/61 as you enter La Crosse. Follow Highway 14/61 until it curves right and becomes 4th Street. Follow 4th Street to Jay Street and take a right.

Parking

We recommend parking in the **Market Square Ramp**, located on the southeast corner of 4th and Jay Streets. Enter the ramp from Jay Street. There is free 2-hour parking available on the lower level of this ramp, as well as on most downtown side streets.

If you are visiting for more than 2 hours, longer-term parking is available on the upper levels of the Market Square Ramp. Proceed up the ramp until you see reserved parking spaces, which have orange signs. 12-hour parking is available in all unreserved spaces on the upper levels (those **without** an orange sign).

Select any available unreserved space and remember the number, as you'll need to enter it into one of the self-service pay stations. The parking fee is \$.25/hour payable at one of the pay stations located inside the public entries on the north and south ends of the ramp.

Entering the Doerflinger Building

During normal retail hours (10AM - 5PM), you may use the public entrances on 4th Street (through 3 Rivers Outdoors) or on Main Street.

If you arrive before 10AM you must enter through the doors facing the alley, Doerflinger Walk. This door remains locked, so you must notify us using the intercom adjacent to the doors. Enter our suite number, 200, into the intercom. When someone answers, please tell them you're at the back door and they'll buzz you in.

The main stairway near the alley entrance will take you the 2nd floor, or you may use the elevator near the intersection of the two main corridors.
