

## Visiting Michaels Engineering

Michaels Engineering is on the second floor of the Doerflinger Building, located on the southeast corner of 4th and Main Streets in downtown La Crosse. Our address is 400 Main Street, Suite 200, telephone (608) 785-1900. We recommend parking in the **Market Square Ramp**, which you enter from the 400 block of Jay Street.

### Driving to Downtown La Crosse (Market Square Ramp)

**From I-90:** Take Exit 3 south and stay on Highway 53. Downtown is a little over 3 miles south of I-90. Highway 53 becomes 3<sup>rd</sup> Street once you're downtown. Follow 3<sup>rd</sup> Street to Jay Street and take a left.

**From La Crescent Minnesota on Hwy. 14:** After you cross the Mississippi River, keep going straight and follow the road as it curves to the left. At that point you'll be on 4<sup>th</sup> Street. In 3 blocks, take a right on Jay Street.

**From the south on Hwy. 35, or the east on Hwy. 14/61:** Hwy. 35 merges with Hwy. 14/61 as you enter La Crosse. Follow Highway 14/61 until it curves right and becomes 4<sup>th</sup> Street. Follow 4<sup>th</sup> Street to Jay Street and take a right.

### Parking

Enter the **Market Square Ramp** from Jay Street. There is free 2-hour parking available on the lower level of this ramp, as well as on most downtown side streets.

If you are visiting for more than 2 hours, longer-term parking is available on the upper levels of the Market Square Ramp. Proceed up the ramp until you see reserved parking spaces, which have orange signs. 12-hour parking is available in all unreserved spaces on the upper levels (those **without** an orange sign). There is currently no charge for parking in the 12-hour spaces.

### Entering the Doerflinger Building

During normal retail hours (10AM - 5PM), you may use the public entrances on 4<sup>th</sup> Street (through 3 Rivers Outdoors) or on Main Street.

If you arrive before 10AM the public entrances may be locked. If so, you must enter through the doors facing the alley, Doerflinger Walk. This door remains locked, so you must notify us using the intercom adjacent to the doors. Enter our suite number, 200, into the intercom. When someone answers, please tell them you're at the back door and they'll buzz you in.

The main stairway near the alley entrance will take you the 2<sup>nd</sup> floor, or you may use the elevator near the intersection of the two main corridors.
